Network At Noon 2003

Network, network, network...that's what it's all about. What, you say? Why, it's NETWORK AT NOON, Fresno Women's Network's annual invitation only trade show. You have a chance to network with the best: the businesses, organizations, and individuals who support the great Fresno Women's Network program. Their advertising, luncheon sponsorships, and outright donations contribute greatly to the high quality Network events we enjoy. Find out about their products and services and thank them for their interest. Tell them and other attendees about your business or other endeavors. You will be inspired to invest your advertising dollars and donations budget in the Network next year to a target market that appreciates what you have to offer. Who knows, you may even be an exhibitor in the August 2004 Network at Noon.

When is this fantastic event? And, where? Just follow the map below on Tuesday, August 12 and be at the LaRyan Event Center on West Avenue just North of Ashlan beginning at 11:30 a.m.

As an added attraction, the S.O.S. (Seniors On Stage) will be performing. These talented people perform at local productions and will entertain you with songs and jokes. You will see that age is only a matter of the mind, and their minds are, indeed, very active and alive.

As always, you can register for the luncheon online at the Network's web site.
